What is The Journey with Luke?

An Advent calendar on a phone, a tablet or a computer. Each day in December a new door opens. You help Luke gather the witness accounts of Jesus, and you decide whether what you hear holds.

- 24 doors, one each day through to Christmas Eve.
- Ages 8 and up, with two difficulty levels.
- Questions and activities you can do together.
- A diploma with a name on it on Christmas Eve.

No in-app purchases. No account and no ads. The game does not collect information about anyone who plays.

How the journey begins

You and Luke on the board

Luke wants to write down what really happened with Jesus (Luke 1:1–4). He travels around and talks with those who were there.

You become his helper. You listen to the witnesses, look for clues and check whether the stories hold together.

Then there are mini-games and extra activities you can do together – after each door.

Write the gift code here
